

RESTORATION OF OUR HISTORICAL TREASURE REQUIRES QUALITY CONTRACTORS & PRODUCT

IT TAKES "EXTREME
ATTENTION TO
DETAIL" TO RESTORE
THE GRANDEUR OF
THIS GULF COAST
TREASURE.

Mr. Bruce Hadley (left photo) & Harvey Cooper (right photo) combine their knowledge of application and coatings to create a master peice of restoration.

They are both active members of the construction community. The quality of their work is in demand up and down the Gulf Coast.

They recognize the value of team work and have joined forces with Gregg Patterson of Neogard to provide restoration expertise to high profile projects in their area.

**Protecting the walls and decks
of a southern treasure.**

*When the original clock numbers were applied,
the contractor applied the IX for both the XI & IX. Everyone
can make an error, it takes a perfectionist to repeat it.

Spring Hill College is the oldest Catholic college in the Southeast, the third oldest Jesuit college and the fifth oldest Catholic college in the United States. Ranked among the top 20 Southern colleges and universities in U.S. News & World Report's "America's Best Colleges," its mission is to form students to become responsible leaders in service to others. They accept students from all religious denominations.

Neogard coatings are proud to contribute to the restoration of this grand collegiate tradition. The walls are coated with Neogard NeoFlex™ and the pedestrian decks are Decorative Peda-Gard™ and Peda-Gard™.
